It also shows the walking route from Woodhouse Lane Carpark (Leeds Arena Car Park).

The magnification on the bottom left show the first section of the walk from Leeds Train Station in more detail.

Old Broadcasting House is situated next to Broadcasting Place, which is a good landmark if you are unfamiliar with Leeds.

Broadcasting Place is the large, rusty coloured building that can be seen in this picture, and Old Broadcasting House is the smaller building in front of it.

Approaching Old Broadcasting House from Headingley:

Broadcasting Place will be visible behind the church on the corner, and Old Broadcasting House is just in front of Broadcasting Place, behind the trees.

If you are coming by bus, bus stop number 45011390 is just around the corner, opposite the church.

Approaching Old Broadcasting House from Leeds city centre, or the train station:

Broadcasting Place and Old Broadcasting House will be visible on your right, just after the bridge.

If you are coming by bus, bus stop number 45011391 is directly over the road from the building just after the bridge.

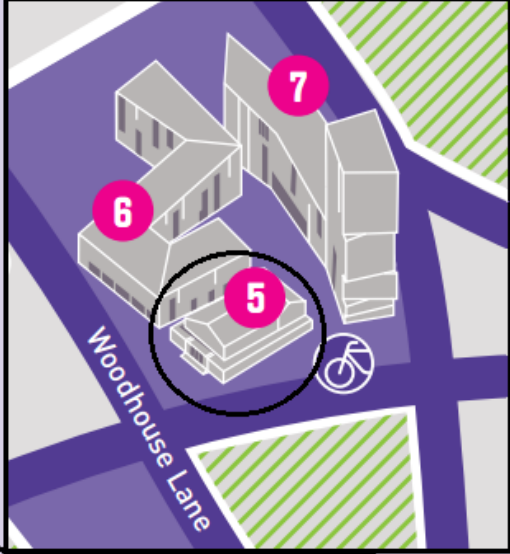

The main entrance to Old Broadcasting House is up the stairs at the front of the building. There is a platform lift next to the stairs at the front of the building should you require this, or there is a side entrance to the right with flat level entry if you would prefer.

For blue badge holders, there is accessible parking available to the right of Old Broadcasting House, as shown here.
